

How to Consign

You can bring up to 15 items a day to your account. Make sure they are clean and ready for sale. All questions and account information is at the back end of the store, under the sign that says "Consignment Drop Off". Ask for a copy of the contract to take home. Please make sure to fill out the info slip to go with your basket of items.

Acc#, Full Name, Date, Email address, and phone number.

It can take up to a week before we enter your items. You will then receive an email of the items we entered. In that email, we will let you know, if there are "**No thank you**" items (damaged), but we DO NOT LIST the no thank you items. You will have 24 hours to pick them up, if you want them back. If you do not pick it up, it will end up in the trash.

Please double check with the person that is entering your account, that they have your email typed in right. Sometimes we get kick backs and people don't receive their emails.

Please read the signs at the counter when you drop off. That way you can see what we are not taking at that moment (because racks fill up).

Remember, we **Do Not** take "consignments" the first 1st through the 5th of every month. Just donations during that time.

We look forward to doing business with you! Tell your friends where to shop!

Thank you, Kathleen and Staff
